

Wading River Complete Dental Care, P.C.

Mission Statement

Our primary responsibility is to guide our patients along a path of optimal dental health and dental wellness for life. We strive to deliver the highest possible level of care, with empathy and understanding, in a nonjudgmental way. All treatment rendered shall be with informed consent of treatment options. We shall respect our patients' time. We shall dedicate ourselves to render the highest standard of oral health care and to maintain a relationship of respect and confidence. Therefore, let all patients who come to us, and let all members of the community we serve, be assured that they are safe in the knowledge that their total health and well-being are our first consideration.

We shall accept the responsibility that, as a professional, our competence rests on continuing the attainment of knowledge and skill in the arts and sciences of dentistry. We shall continually pursue excellence through Continuing Education.

We acknowledge our obligation to support and sustain the honor and integrity of the profession of Dentistry, and to conduct ourselves in all endeavors such that we shall merit the respect of patients, colleagues and our community. We shall faithfully observe the Principles of Ethics and Code of Professional Conduct set forth by the Profession.
